### CHORUS:

It's the little things you do that say I love you  
Things I hardly even notice at the time  
In their ev'ryday occurrences,  
You help me understand  
That your freely-given gift of love is mine

### 1.

You're the lover and the friend I've always wanted  
You're the dream I dreamed in hopes that you'd come true  
When I'm lyin' in your arms at night  
Or wakin' with the day  
I can feel the love you're feelin' comin' through

### CHORUS

### 2.

You'd make supper after midnight if I'm hungry  
And you wave good-bye to planes that leave at dawn  
It don't matter why I'm leavin' you or where I have to go  
But you always wait to cry until I'm gone

### CHORUS

### 3.

There've been times, I know, you wished you'd never met me  
There're times, I know, I'm hard to understand  
Still you always seem to need me and you show me that you care  
By the way you smile at me and hold my hand

### CHORUS
