### 1.

I saw her picture in the paper just this mornin'  
Aand it tore me up to see the smile she wore  
'Cause it took me back to times when that smile  
belonged to me  
Now i wish i could see that smile once more

### CHORUS:

Her smile, a picture can't capture it  
Funny but neither could i  
Her smile keeps hauntin' my memory  
Smilin' and sayin' good-bye

### 2.

I would've given anything to make her happy  
She just didn't seem to need me at the time  
Now i'm sittin' all alone, got no smile to call my own  
Just a smilin' lady's picture on my mind

### CHORUS
