1.

Been here in Denver 'bout a month today
And now I'm startin' to feelin' OK
Seems there's a reason for where I been
And my startin' over, is startin' over again

2.

Been doin' road time with a ways to go
Saw some friends of mine up in Idaho
And where I'm sittin' is where I been
And my startin' over, is startin' over again

CHORUS:

Gotta keep in touch with the fam'ly
Want to see some sights along the way
Know another time and how you can be
'Cause where I been is who I am today

3.

I'm startin' over, take it day to day
Startin' over, the usual way
'Cause startin' over is where you begin
And that startin' over, is, startin' over again

CHORUS
