### CHORUS:

There ain't no quit ... There ain't no way  
You don't back-down ... You mean what you say  
Two hundred years ... And it's true today  
There ain't no quit ... It's the cowboy way

### 1.

He was raised-up in the flintheills, on a land as hard as nails  
And his daddy's daddy told him, 'bout his life out on the trail  
He told him of the life he had, in another place and time  
About the men he rode with, back when he was in his prime

### 2.

Won't abide a quitter, and I won't abide a cheat  
I won't abide a liar, and I won't abide a thief  
Those kinds of folks are cowards, son,  
They'll get what they deserve  
The measure of a man, is in his honesty and nerve

### CHORUS

### 3.

Some folks say we all give-in, somewhere along the way  
And what we learned about ourselves, is who we are today  
The pleasures that I could've had, and what I might've lost  
Won't ever measure-up, to what I know it would've cost
